# JUUL, LINKS NOG DRIE PAPEGAAIDUIKERS EN EEN GROTE ZEEMEEUW ONDER DE SMURRIE!

\* NAAR PRINCE EN BART PEETERS

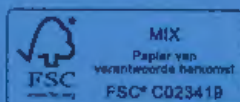

Ooit was hij al te zien in enkele reclamepagina's: een kleine, speelse, ondeugende jongen die geregeld met zijn oom optrok. En terwijl de oom hulpeloos zat te knoeien met stekkers en elektrische draden, goochelde deze knul met moderne technologie...

en bedacht door de geniale André Franquin himself!

Zoals alle jongelui vandaag is onze held begaan met het milieu, met het respect voor Moeder Natuur en met de toekomst van onze planeet. Maar **Gastoon** blijft ook in alle omstandigheden een vrolijk baasje dat zijn vriendjes graag een loer draait...
